Dance Concert

Tech Week Schedule

Notes:

All dancers and crew sign in as soon as you get to the theater. Sign in sheets for SMs, board ops, and deck crew are located on the scene shop door at SR. Actors and costume crew sign in sheets are located outside of the dressing rooms next to the water fountain. No one is dismissed from the theatre until Kate dismisses you. 5 and 10 minute breaks will be called by stage management when appropriate.

I have listed under the “members called” column anyone who is called for that time. For your convenience, I have also highlighted specific groups of people so it is easier for you to see calls.
